22nd April 2021

Reg. No.: D0057-02

Consultation Notice in respect of a Waste Water licence application from Irish Water for Ringaskiddy agglomeration, Register number D0057-02

Dear Sir or Madam,

I am to advise that a Waste Water Discharge Licence application was received by the Agency on 17 March 2022. The details of the application are set out below:

- Name and address of applicant:	Irish Water, Colvill House, 24-26 Talbot Street, Dublin 1, Dublin
- Location of agglomeration:	Ringaskiddy
- Licence Application Reference No:	D0057-02
- Planning Application Reference No:	04.YA0005, 04.YM0001 and 04.YM0003

A copy of the application, the Environmental Impact Statement (EIS) submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website www.epa.ie.

It is noted that an Environmental Impact Assessment (EIA) was carried out by your authority/Department for the purposes of Foreshore Licence Application Reference numbers FS006470 and FS006657.

The Agency is carrying out EIA under Waste Water Discharge licence application D0057-02, and you are requested to respond to the Agency within **4 weeks** of this notice with the following information:

1. Furnish all documents relating to the EIA carried out by your authority/ Department in respect of any development or proposed development to which the grant of any authorisations refer.
2. Furnish any observations your authority/Department has in relation to the licence application.

It would be much appreciated that all documentation is submitted in electronic PDF format to licensing@epa.ie in order to facilitate the publishing of information to the Agency's website.

Please note that all further information received on this licence application will be made available on the Agency's website.

The application is being processed by the Agency. All information submitted will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours faithfully,

Environmental Licensing Programme
