Mr. Colm Hussey

On behalf of Rilta Environmental Limited

18 May 2022

Reg. No.: W0185-02

Notice in accordance with Regulation 19(3) of the EPA (Industrial Emission) (Licensing) Regulations 2013 as amended, in respect of the withdrawal of a licence review from Rilta Environmental Limited for an installation located at Block 14A1, Grant's Road, Greenogue Business Park, Rathcoole, Dublin.

Dear Mr Hussey,

I refer to correspondence of 12 May 2022, notifying the EPA of your wish to withdraw your licence review application which was received by the EPA on 31 July 2017.

I advise you that the contents of your request have been noted and our records updated to reflect that this licence review application is regarded as being formally withdrawn. That being the case, it is no longer the function of the EPA to consider any documentation which relates to the above application.

With regards to your request for a refund of the application fee, this is currently being assessed and a determination will issue to you in due course.

If this installation should fall within the scope of any of the classes in the First Schedule of the EPA Act as amended at some time in the future, please note that you will be required to obtain a licence.

It should be clearly understood that the onus for lodging an application with the EPA rests with the person carrying on the activity. It should also be noted, for future reference, that it is an offence liable to prosecution to carry on an activity which requires a licence in the absence of such a licence.

Yours faithfully,

Environmental Licensing Programme
