On behalf of Longfield Poultry Unlimited Company

01 June 2022

Reg. No.: P1150-01

Further Notice under the EPA (Industrial Emissions) (Licensing) Regulations 2013, in respect of a licence application from Longfield Poultry Unlimited Company for an installation located at Lislea, Virginia, County Cavan.

Dear Mr. Fay,

I refer to the EPA's notice of 23 May 2022 requesting information in respect of your licence application.

You are advised that there remains outstanding information, as required under the EPA (Industrial Emissions) (Licensing) Regulations 2013, as amended. You are therefore required to submit the outstanding information detailed below:

1. Unless it can be demonstrated that the installation was operating at a capacity of 39,000 broilers in 2018, the NIS shall consider the full impacts of the entire proposed increase in bird numbers (i.e. 22,000) against the 2018 data used to calculate the background ammonia concentration, irrespective of whether the applicant has already begun to increase stock numbers.

With a view to advancing this application for determination, the above-mentioned information should be submitted to the EPA within **two weeks** of the date of this notice.

It should be noted that failure to comply with this request may result in the EPA activating Regulation 19 of the EPA (Industrial Emissions)(Licensing) Regulation 2013 which pertains to Withdrawal or Abandonment of application for a licence. Have regard in particular to:

*(2) Where the Agency is of the opinion that an application for a licence or review of a licence has been abandoned it may give to the applicant a notice stating that fact and requiring that person, within a period specified in the notice (being a period of not less than 14 or not more than 28 days beginning on the date of the giving of the*

*notice), to make to the Agency a submission in writing as to why the application should not be regarded as having been abandoned.*

*(3) Where a notice has been given under paragraph (2), the Agency may, at any time after the expiration of the period specified in the notice, and after considering the submission (if any) made to the Agency pursuant to the notice, declare that the application to which the notice relates shall be regarded as having been abandoned.*

Your prompt attention to this matter is requested.

Yours faithfully,

Philip Stack
