Re: Ahascra Historic Landfill CoA Application by Kerry County Council

Dear Inspector,

I refer to the Ahascra Historic Landfill application for a Certificate of Authorisation (CoA), under the register reference number H0194-01, and the Regulation 7(4) Notice dated 4TH April 2022 requesting information, in order to comply with Regulation 7(2) of the Waste Management (Certification of Historic Unlicensed Waste Disposal and Recovery Activity) Regulations 2008, S.I. No. 524 of 2008.

Kerry County Council is still gathering information in preparation for the submission of information sought under the Regulation 7(4) Notice and consequently is not in a position to meet the deadline for supplying all of the information within 8 weeks of the date of the Notice. Consequently, an extension of time of 20 weeks from today's date is now sought, to facilitate procurement of consultants, installation of boreholes, sampling of boreholes, interpretation of results, drafting of reports and submitting of response to EPA.

If you have any queries, please do not hesitate to contact me on 066-7162046 or 087-7993206

Yours faithfully,

Colm Lynch
Executive Engineer
Kerry County Council
Environment Protection Business Unit
