8th June 2021

Licence review from ERAS ECO Limited in respect of the installation located at Foxhole, Youghal, Cork, P36 F903

Dear Mr Matthews,

I refer to the Notification dated 8th March 2022 seeking evidence of planning permission to allow the acceptance and digestion of 65,000 tonnes/per year of organic waste, or in its place confirmation from An Bord Pleanála that additional planning permission is not required.

Ormonde Organic's has been advised that the relevant planning authority is Cork Council and has engaged a planning consultant to assist in this matter. The Council's determination of the need for additional planning permission will be submitted to the Agency on receipt of same.

Yours Sincerely

Jim O' Callaghan
