Classes and Nature of Activity in accordance with the EPA Act 1992 as amended			
Class of Activity	Main Activity	EPA Act Sector (where applicable)	Class of Activity Description
6.1 (a)	Yes	Intensive	The rearing of poultry in installations where

A copy of the application, the Environmental Impact Assessment Report (EIAR) submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website www.epa.ie.

In accordance with, Section 87(1E)(a) of the EPA Act 1992 as amended, you are requested to respond to the Agency **within 4 weeks of receipt of this notice** with the following information.

1. State whether the activity to which the licence application relates is permitted by the grant of permission referred to above.
2. Furnish all documents relating to the EIA carried out by your authority in respect of the development or proposed development to which the grant of permission refers. **Alternatively, where such EIA documents are available to view on your website, please provide the Agency with a list of the names of those documents and provide a link to their location on your website.**
3. Provide any observations your authority has in relation to the licence application.

It would be much appreciated that all documentation is submitted in electronic PDF format to licensing@epa.ie in order to facilitate the publishing of information to the Agency's website.

Please note that a response to this notice is required even if you have no observations to make and your response will be taken into consideration in the assessment of the application.

Please note that all further information received on this licence application will be made available on the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours faithfully,
