Dear Ms Ryan

We refer to your email of 25 February 2022. Your technical amendment request was received by the Agency on 10 December 2021. As we don't have a statutory timeframe for assessing licence amendments all requests are dealt with on a priority basis and your amendment request is with the licensing team to assess the order in which it will be progressed. We recommend that you contact us again in a couple of months to request a further update. Thank you.
