Mr. Conor McGovern  
On behalf of GLV Bay Lane Limited

13 July 2022

Reg. No.: W0301-01

Article 23 of the Waste Management (Licensing) Regulations in respect of a licence application from GLV Bay Lane Limited for a facility located at GLV Bay Lane Limited, Bay Lane Quarry, Bay Lane, St. Margaret's, Dublin.

Dear Sir,

In accordance with the above referenced legislation the Agency acknowledges receipt of your objection, and fee for €500 received on 12<sup>th</sup> July 2022 in relation to the above referenced proposed decision. All objections received by the Agency in relation to the proposed decision will be circulated to all parties to the objections.

Your letter will be treated as a formal and valid objection, and will be considered as part of the examination, assessment and decision on the proposed decision by the Agency.

In the event that the Agency receives third party objections to the proposed decision, in accordance with Article 23 of the Waste Management (Licensing) Regulations, once the appropriate period for objections expires, the Agency will, in due course, circulate all objections to all other parties to the objection. Each party to the objection is entitled to make a submission/comments on such objections **within one month** of the copy of the objection being circulated. Submissions on objections must be both complete and received within the stated period.

The Agency will consider any valid objections in accordance with the above referenced legislation and will notify you, in due course, of its decision on this licence application. All documentation relating to this licence application is available for inspection on the Agency's website [www.epa.ie](http://www.epa.ie) including information on objections and submissions.

Yours sincerely,

Environmental Licensing Programme
