Re Licence review from Starrus Eco Holdings Limited in respect of the installation located at Cappagh Road, Finglas, Dublin 11

Dear Sir/Madam,

An Bord Pleanála has granted planning permission to increase the annual waste intake at the facility from 250,000 tonnes to 450,000 tonnes. A copy of the Bord's decision has been uploaded with this letter. Given the current waste management capacity constraints I would appreciate if the Agency could prioritise the application.

Yours Sincerely

Jim O'Callaghan
