Mr. Paraic Fay

On behalf of Fiojo Limited

04 August 2022

Reg. No.: P1147-01

Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions)(Licensing) Regulations 2013, in respect of a licence application from Fiojo Limited for an installation located at Corvoy, Ballybay, County Monaghan.

Dear Mr. Fay,

I refer to the application for a licence received by the EPA on 03 March 2021. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with the above-mentioned legislation. You are therefore requested, in accordance with the regulations, to supply the information detailed below.

1. Update the site plan to include:
  - a. Changes to the proposed structures as a result of planning permission ref. no. 22/75;
  - b. The locations of stormwater discharge point; and
  - c. Labelling/numbering of each poultry house such that they are uniquely identifiable.
2. Identify the receiving waters for the proposed stormwater discharge points.
3. Provide clarifications on the BAT conclusions for BAT 3 and 4 from the CID document for the Intensive Rearing of Poultry or Pigs ((EU) 2017/302, February 2017), clearly identifying the specific techniques that will be used.
4. Provide an update on the status of the development works, as permitted by planning permission reference numbers 21/14 and 22/75. Confirm that licensed activities have not yet commenced.

In addition to the above, please also provide an updated non-technical summary (Application Form, and EIS where applicable) to reflect the information provided in your reply, insofar as that information impinges on the non-technical summary.

The requested information should be submitted to the Agency within **8 weeks** of the date of this notice, in order to allow the Agency to process and determine your application.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries please contact [licensing@epa.ie](mailto:licensing@epa.ie).

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at [IE Licence application guidance | Environmental Protection Agency \(epa.ie\)](#)

Please direct any queries to [licensing@epa.ie](mailto:licensing@epa.ie).

Yours faithfully,  
Philip Stack
