Re. Amazon Data Services

Hi Jonathan,

Further to your email dated 19th July 2022, I confirm that: (i) planning permission was granted for the development proposed under plan ref(s). 3534/11, 2688/13 & 2979/13; (ii) an Environmental Impact Statement was not submitted with any of these applications; (iii) Dublin City Council did not require the submission of an Environmental Impact Statement with any of these applications; and (iv) each of the applications were determined without an Environmental Impact Statement.

Regards,

Bryan Ward

(Senior Planner)
