Mr. William Murphy
On behalf of Clondrisse Pig Farm Limited

29 August 2022

Reg. No.: P0975-02

Further Notice under the EPA (Industrial Emissions) (Licensing) Regulations 2013, in respect of a licence review from Clondrisse Pig Farm Limited for an installation located at Joristown Upper, Killucan, County Westmeath.

Dear Sirs,

I refer to the EPA's notice of 08 June 2022 requesting information in respect of your licence review application.

You are advised that there remains outstanding information, as required under the EPA (Industrial Emissions) (Licensing) Regulations 2013, as amended. You are therefore required to submit the outstanding information detailed below:

1. Provide the maximum number of each individual pig type to be housed on-site, e.g. weaners, production pigs, boars, maiden gilts, dry sows, farrowing sows and served gilts, ensuring that total numbers comply with planning permissions granted for the site;
2. With regards to the odour assessment referenced in your response of 08 June 2022, provide the corresponding input data for the odour screening tool; and
3. Some details were omitted from the site plan received 08 June 2022. Update the site plan to include:
 - a) Storm water drainage from buildings D, E, F, G and H; and
 - b) Location of kerosene tank.

With a view to advancing this application for determination, the above-mentioned information should be submitted to the EPA by 12 September 2022.

Yours faithfully,

Linda Cahill
