Subject: Clare County Council Historic Landfills

Hello

Please note that Cathal Brodies has left Care County Council.

Until Cathals replacement has been identified please use me as Clare County Councils contact for historic landfills.

In this regard, I know the EPA sent Clare County Council a COR document and were looking for comments.

I request an extension of time on this, I also request an extension of time for any information required on the whitegate historic landfill

Apologies for any delay and thank you for your understanding and continued support
