<b>ENVIRONMENTAL LICENSING PROGRAMME</b>	
<b>TO:</b>	Marie O'Connor, Programme Manager
<b>FROM:</b>	Gráinne Oglesby, Programme Officer, Environmental Licensing Programme
<b>DATE:</b>	2 <sup>nd</sup> September 2022
<b>RE:</b>	Clerical Amendment to Industrial Emissions Licence Register Number P0516-04 held by <b>Boliden Tara Mines Designated Activity Company, Knockumber, Navan, County Meath.</b>

### 1. Recommendation

I recommend that the licence amendment be approved as set out in the attached recommended Clerical Amendment A.

### 2. Background

Boliden Tara Mines Designated Activity Company, was granted a Licence Reg. No. P0516-04 on the 7<sup>th</sup> September 2018 for an installation located at Knockumber, Navan, County Meath.

A clerical amendment is required to correct a clerical error noted in the Licence that issued on the 7<sup>th</sup> September 2018, to allow for the correct interpretation of the Licence requirements.

### 3. Assessment

On the 26<sup>th</sup> August 2022, the Agency initiated a Clerical Amendment of Industrial Emissions Licence Reg. No. P0516-04, in order to allow for:

In Condition 1.3 the red line boundary maps as referred to in the second bullet point of the condition i.e. Map 5, does not include all of the licensed emission points. The office of Environmental Enforcement consider that the bullet point relating to Map 5 needs to be amended from "red" to "yellow".

This memo recommends that the change may be accommodated by a Clerical Amendment, in accordance with Section 96(1)(a) of the EPA Act 1992 as amended.

Signed,

Gráinne Oglesby
