Welcome to Sharebox, the Irish Water collaboration tool.

Please use this Sharebox link for transfer of all relevant records to Irish Water. Please ensure that you accept and use this URL token within **18 days** to avoid expiration.

Good Morning,

Please find enclosed link to Grenagh Wastewater discharge licence application submission to the EPA and Cork Co. Co. This is a new licence application (PE>500) as the agglomeration is currently authorised under Certificate of Authorisation (<500PE). Also sharing this with Cork Co. Co to help fulfil requirements under regulation 10 of the EU (Wastewater Discharge Regulations) 2020 to allow for inspection of the application if required.

If you have any queries, please do not hesitate to contact me.

Kind regards
Peter Keegan
