Seamus Hopkins
Senior Engineer

RE: Development of an Integrated Constructed Wetland to facilitate onsite treatment of leachate at Ballynacarrick LS near Ballintra.

Dear Seamus

As previously confirmed by Eunan Quinn Senior Planner, I can confirm that the activity undertaken in relation to the above matter constitutes exempted development for the purposes of the Planning and Development Act 2000 (as amended). The activity constitutes development and is specifically exempted by Article 7 (2) of the Planning and Development Regulations 2001 (as amended) in that it has the purpose of giving effect to conditions attached to a license granted under the waste management act 1996.

I trust this clarifies the matter.
Regards

Carol Margey
