Dear Historic landfills, Dear Licensing,

As the Agency have requested that where a local authority undertakes monitoring while awaiting a decision on a CoA application that this monitoring data is submitted as it becomes available, I have attached the results of monitoring carried out at Kilsheelan landfill, Clonmel, Co. Tipperary (Reg No. H0432-01) in November 2022 for your information.

If you have any queries please let me know.

Regards  
Louise
