## Re: Starrus Eco Holdings Ltd at Sarsfieldcourt Industrial Estate, Glanmire

A Chara,

Further to your recent correspondence regarding applications relating to the above and the requirement of an Environmental Impact Assessment please see below:

- 90/3460- This application was prior to the Planning and Development Act 2000 so therefore an EIA was not required
- 03/3789- An EIS was not required as part of this application
- 06/9718- An EIS was not required as part of this application
- 11/6674- As per the planners report, this application did not require an EIS
- 15/4813- As per the planners report, this application did not require an EIA

Mise, le meas,

---
