**Re: Mr. Eoin O'Brien Time Extension Request  
Licence Application Reg. No. P0790-03**

Dear Sir/Madam

I refer to your previous correspondence in relation to the above mentioned licence applicant.

As you will appreciate the applicant is keen to have this application decided as expediently as possible, and is disappointed in the proposed additional delay, given that there have been a significant number of time extension requests on this application to date.

Having given prolonged consideration as to acceding to this request, and to be as co-operative as possible with the Agency, the applicant is reluctantly willing to agree to an extension. In return the applicant would hope that this would be the final extension and would appreciate if the Agency would take all necessary steps to ensure that this application is decided as soon as may be practicable, and prior to this date if possible.

Should you require any further information please do not hesitate to contact me.

Yours sincerely,

**Paraic Fay**
