Reg. No. P0606-04

Regulation 28 of the EPA (Industrial Emissions) (Licensing) Regulations in respect of a licence review from SSE Generation Ireland Limited for an installation located at Great Island Generating Station, Campile, New Ross, County Wexford.

Dear Sir/Madam,

The Agency advises that further information has been submitted as requested by the Agency in accordance with the above referenced legislation and is available to view at https://epawebapp.epa.ie/licences/lic_eDMS/090151b28086df72.pdf

All documentation relating to this licence review is available for inspection on the Agency's website www.epa.ie.

In accordance with the above referenced legislation, the Agency is of the view that it may be appropriate for a submission on the enclosed to be lodged on or before **16 May 2023** in the interests of justice.

If a submission in writing is not received before the expiration of the period specified above, the Agency will, after the expiration of that period and without further notice, proceed with its consideration of the objection and make a decision on the application for a licence review.

The Agency will notify you, in due course, of its decision on this licence review. All documentation is available for inspection on the Agency's website www.epa.ie.

Yours sincerely,

Environmental Licensing Programme
