Re: Notice in accordance with Regulation 18(3)(b) of the European Union (Waste Water Discharge) Regulations 2007 to 2020

Dear Sir or Madam

We refer to your application for a waste water discharge licence relating to agglomeration named Ringsend, Reg. No. D0034-02.

Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Regulation 16 of the European Union (Waste Water Discharge) Regulations 2007 to 2020.

You are therefore required, in accordance with Regulation 18(3)(b) of the Regulations, to take steps to supply the information detailed below:

REGULATION 16 COMPLIANCE REQUIREMENTS

1. Provide the updated water quality modelling and impact assessment reports and provide the proposed mass emission levels and upper tier levels as referred to in the application form.
2. Provide the addendum to the 2018 EIAR and NIS.
3. Provide written confirmation from An Bord Pleanála that an EIA was not required for ABP-315902-23 or provide grant of planning permission and confirmation that EIA was not required.
4. Provide details of the type of monitoring telemetry (i.e. event duration or flow) for all SWOs equipped with them.

Your reply to this notice should include a revised non-technical summary which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply the information by 06 July 2023. Please note that all maps/drawings should not exceed A3 in size.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at <https://www.epa.ie/publications/licensing--permitting/industrial/ipc/how-to-open-and-respond-to-an-epa-notice-issued-to-eden.php>

Please direct any queries that you may have in relation to the above to the Inspector Aimie Cranch at 053-9160600.
