Re: Notice in accordance with Regulation 12 of the European Union (Waste Water Discharge) Regulations 2007 to 2020

June 15, 2023

Dear Sir or Madam

We refer to your application for a waste water discharge licence relating to agglomeration named Ringsend, Reg. No. D0034-02.

We are to advise you of a failure of compliance with:

- Regulation 11 (c) of the European Union (Waste Water Discharge) Regulations 2007 to 2020. On inspection, the notice as erected was not fixed in a conspicuous position adjacent to a public road so as to be easily visible and legible by persons using the public road and was obscured or concealed by vegetation at the time of inspection.

You are required to erect a further site notice in accordance with Regulation 11 and submit evidence of same by 7 July 2023.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at <https://www.epa.ie/publications/licensing--permitting/industrial/ipc/how-to-open-and-respond-to-an-epa-notice-issued-to-eden.php>

Please direct any queries that you may have in relation to the above to the Inspector Úna Prendergast at 053-9160600.

Yours Faithfully,

Environmental Licensing Programme
Office of Environmental Sustainability
