Environmental Licensing Programme
Office of Environmental Sustainability

Dear Ms O'Carroll ,

Ballynacarrick Landfill Site Waste Licence Review - W0024-05

Further to our letter dated 15/05/2023 regarding the submission of information in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations, in respect of a licence review from Donegal County Council for a facility located at Ballynacarrick Landfill Site, Ballynacarrick, Ballintra, Donegal, F94 AY99, we hereby request a further extension of the submission date from 26/06/2023 until the 10/07/2023.

The Planner dealing with this query has just returned from long term sick leave. He has given it his attention; however it is unlikely that he will have a full and detailed response for submission on EDEN today, thus the request for a further extension. Donegal County Council will respond at the earliest available opportunity.

We trust this is in order, however if you have any queries, please do not hesitate the contact the undersigned.

Yours sincerely,
for RPS Ireland Limited (NI)
