

PUBLIC NOTICES

**Technical Amendment of Industrial Emission Licences under Section 96(1)(c) of the Environmental Protection Agency Act 1992, as amended.**

The Environmental Protection Agency intends to amend the Industrial Emission Licences related to the installations below for the reasons set out in this notice.

**Reason for the Proposed Amendments**

To bring the licences into compliance with the requirements of the Commission Implementing Decision (CID) on Best Available Techniques (BAT) conclusions for the intensive rearing of poultry or pigs (2017/302) (IRPP CID) and applicable BAT conclusions.

The overall objective of reconsidering and updating the licence conditions and emission limit values is to ensure the operation of the installations is in line with the latest developments in the best available techniques (BAT) and achieve a high level of protection of the environment.
