Mr. Mark Heffernan
On behalf of Dublin Waste to Energy Limited

09 August 2023

Reg. No. W0232-02

Regulation 36 of the EPA (Industrial Emissions) (Licensing) Regulations in respect of a licence review from Dublin Waste to Energy Limited for an installation located at Pigeon House Road, Poolbeg Peninsula, Dublin 4.

Dear Sir,

The Agency notifies you in accordance with the provisions of the above referenced legislation that it will not be possible, because of the complexity and nature of the information to be considered in the determination of the objection, to carry out the procedures for the consideration of the objection within the period specified in the Regulations. The Agency advises that it intends to complete the consideration of the objection before **17 October 2023**.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

The Agency will notify you, in due course, of its decision on this licence review. All documentation relating to this proposed determination is available for inspection on the Agency's website www.epa.ie including information on objections and submissions.

Yours sincerely,

Environmental Licensing Programme
