Re: Doon Farm Enterprises Ltd. ~ Licence Application P1024-02

Dear Sir/Madam,

I refer to previous Agency correspondence of 25th April 2023, further discussions during the on-farm inspection, and subsequent discussions with the Agency.

The issues raised are currently being addressed however due to technical issues that have arisen during completion of the further information request response, and additional technical reports required, I am requesting an additional time extension (until c. 18/12/2023) from the Agency to facilitate a comprehensive response to the issues raised. I am currently waiting on a timeframe for the completion of specialist reports and will revert as soon as practicable.

If you require any additional information please contact this office.

Yours Sincerely,

Paraic Fay
