**Re: Notice in accordance with Regulation 12 of the European Union (Waste Water Discharge) Regulations 2007 to 2020**

31 August 2023

Dear Sir or Madam

We refer to your application for a review of the waste water discharge licence relating to agglomeration named Greater Dublin Area, Reg. No. D0034-02.

We are to advise you of a failure of compliance with:

Regulation 10(b) and Regulation 11(a) of the European Union (Waste Water Discharge) Regulations 2007 to 2020, **due to additional discharges being identified since the original site notice and newspaper notice.**

You are required to publish and erect further newspaper and site notices in accordance with Regulation 10 and 11 and submit evidence of same by **26 September 2023**.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at <https://www.epa.ie/publications/licensing--permitting/industrial/ipc/how-to-open-and-respond-to-an-epa-notice-issued-to-eden.php>

Please direct any queries that you may have in relation to the above to the Inspector Aimie Cranch at 053-9160600.

Yours Faithfully,

Environmental Licensing Programme  
Office of Environmental Sustainability
