Hi there,

I refer to your email below.

Unfortunately, Microsoft OneDrive is not supported by Cork County Council Devices (see attached email from IT Department). Can you please confirm I can submit the documents using another form such as File Cloud or similar? Otherwise, I will only be able to submit a hard copy of the documents.

Regards,

Conor

Hi Conor,

Onedrive is not supported by CCC devices, please use filesender for the same.  
Please find the document attached regarding filesender
