

EIA Screening Determination

In accordance with Section 83(2A) of the EPA Act 1992, as amended, the Agency has, as part of its consideration of the Industrial Emissions licence application review referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Application Details:

Reg No.	W0167-04
Applicant Name:	Indaver Ireland Limited
Location of installation:	Carranstown, Duleek, Meath, Meath, A92 EP23
Authorisation Type:	Licence
Licence Application Date:	14 July 2023
Date of EIA Screening Determination:	20 September 2023

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is required for the activity to which the above licence application relates due to the following reasons:

The change to the activity is of a type of project specified in Part 1 of Schedule 5 of the Planning and Development Regulations 2001 as amended.

Project 22: Any change to or extension of projects listed in this Annex where such a change or extension in itself meets the thresholds, if any, set out in this Annex.

Submissions on a licence application can be made before the Proposed Determination is issued. Information on the public participation process is available on the Agency's website at www.epa.ie.
