Mr. Paraic Fay

On behalf of Mr Vincent Quinn

03 November 2023

Reg. No.: P0871-03

Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions) (Licensing) Regulations 2013, in respect of a licence review from Mr Vincent Quinn for an installation located at Cornanagh, Ballybay, County Monaghan.

Dear Mr. Fay,

I refer to the application for a licence received by the EPA on 18 February 2022.

Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with the above mentioned legislation. You are therefore requested, in accordance with the regulations, to supply the information detailed below.

In relation to wash water produced by the activity:

- a) In relation to the spreadlands identified for wash water application, the maps included in the EIAR do not show the 30.7 ha of available land that was quoted. Provide additional maps to demonstrate the availability of the full 30.7 ha of land as outlined in the EIAR or revise the area quoted as being available;
- b) Provide calculations based on the available land to demonstrate that the lands identified have the capacity to accept the wash water generated; and
- c) Confirm the capacity of each wash water storage tank (total capacity minus the freeboard).

In addition to the above, please also provide an updated non-technical summary (Application Form, and EIAR where applicable) to reflect the information provided in your reply, insofar as that information impinges on the non-technical summary.

The requested information should be submitted to the Agency within *two weeks* of the date of this notice, in order to allow the Agency to process and determine your application.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries, please contact licensing@epa.ie.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at [IE Licence application guidance | Environmental Protection Agency \(epa.ie\)](#).

Please direct any queries to licensing@epa.ie.

Yours faithfully,
