Reg. No. H0005-01

Re: St. Mary's Park Landfill – Application for Certificate of Authorisation

Dear Ms. Mellett,

I refer to the above referenced application for a certificate of authorisation in relation to the above referenced landfill and your email correspondence dated 11th September 2023, in which Limerick City & County Council confirms that the application for a certificate of authorisation for St. Mary's Park Landfill was submitted in error.

This being the case, it has been determined that St. Mary's Park Landfill is not defined as a Closed Landfill in accordance with the Regulations and consequently, is not required to have a certificate of authorisation.

Accordingly, you are advised to withdraw the application Reg. No. H0005-01 by submitting a request to the Agency. Please also note you can request a refund of the fee paid in respect of the application and that any such request will be considered after the withdrawal of the application has been completed.

A prompt response to this correspondence will be appreciated. The request should be emailed to historiclandfillapplications@epa.ie using the file transfer application Microsoft OneDrive and quoting the EPA Application Register Number H0005-01. The EPA doesn't accept files to be transferred using any file share application other than MS One Drive. Each file should be in a searchable .pdf format and a size not exceeding 10MB.

Yours sincerely,
