Mr. Donal Brady
On behalf of DDS BRADY FARMS LIMITED

20 December 2023

Reg. No.: P0408-02

Regulation 25 of the EPA (Industrial Emissions) (Licensing) Regulations in respect of a licence review from DDS BRADY FARMS LIMITED for an installation located at Carrickboy Farms, Ballyglassin, Edgeworthstown, County Longford.

Dear Sir,

In accordance with the above referenced legislation the Agency acknowledges receipt of your objection, including your request for an oral hearing, and cheque for €253 received on 18 December 2023, in relation to the above referenced proposed determination. All objections received by the Agency in relation to the proposed determination will be circulated to all parties to the objections.

Your letter will be treated as a formal and valid objection, and will be considered as part of the examination, assessment and decision on the proposed determination by the Agency. The Board of the Agency will consider your request for an oral hearing of the objection in due course and you will be notified of its decision.

In the event that the Agency receives third party objections to the proposed determination, in accordance with Regulation 25 of the EPA (Industrial Emissions) (Licensing) Regulations, once the appropriate period for objections expires, the Agency will, in due course, circulate all objections to all other parties to the objection. Each party to the objection is entitled to make a submission/comments on such objections **within one month** of the copy of the objection being circulated. Submissions on objections must be both complete and received within the stated period.

The Agency will consider any valid objections in accordance with the above referenced legislation and will notify you, in due course, of its decision on this licence review. All documentation relating to this licence review is available for inspection on the Agency's website www.epa.ie including information on objections and submissions.

Yours sincerely,

Environmental Licensing Programme
