Re: Notice in accordance with Regulation 12 of the European Union (Waste Water Discharge) Regulations 2007 to 2020

January 31, 2024

Dear Sir or Madam

I refer to your application for a review of the waste water discharge licence relating to agglomeration named Coachford, Reg. No. D0427-02.

On inspection, the site notice was not present which contravenes the regulations. I am to advise you to erect a site notice in accordance with the requirements of Regulation 11 (a-d) of the European Union (Waste Water Discharge) Regulations 2007 to 2020.

The Agency further requires you to submit a dated photo of the site notice erected at an appropriate location, a map showing the revised site notice location and a dated copy of the notice, in order to comply with the above requirements.

You are required to provide evidence of the erected site notice by **14 February 2024**.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at <https://www.epa.ie/publications/licensing--permitting/industrial/ipc/how-to-open-and-respond-to-an-epa-notice-issued-to-eden.php>

Please direct any queries that you may have in relation to the above to the Inspector Mark Dwyer at 053-9160600.

Yours Faithfully,

Environmental Licensing Programme
