RE: IBR1015 Planning Churchtown Landfill Site - waste licence review

Dear Con,

I can confirm that the activity undertaken in relation to the above matter constitutes Exempted Development for the purposes of the Planning & Development Act 2000 (as amended). The activity constitutes development and is specifically exempted by Art.7(2) of the Planning & Development Regulations, 2001 (as amended) in that it had the purpose of giving effect to conditions attached to a licence granted under the Waste Management Act 1996.

I trust that this clarifies the matter,

Regards,
