Mr. Derek Luby

On behalf of Kilsaran Concrete Unlimited Company

08 March 2024

Reg. No.: W0311-01

Notice in accordance with Article 21 of the Waste Management (Licensing) Regulations, in respect of the withdrawal of a licence application from Kilsaran Concrete Unlimited Company for a facility located at Ballinclare Quarry, Kilbride, County Wicklow.

Dear Sir,

I refer to correspondence of **4 December 2023**, notifying the Agency of your wish to withdraw your licence application which was received by the EPA on 22 February 2023.

I advise you that the contents of your request have been noted and our records updated to reflect that this licence application is regarded as being formally withdrawn.

That being the case, it is no longer the function of the EPA to consider any documentation which relates to the above application.

If this facility should fall within the scope of any of the Classes in the 3rd or 4th Schedule of the Waste Management Act as amended at some time in the future, please note that you will be required to obtain a licence.

It should be clearly understood that the onus for lodging an application with the Agency rests with the person carrying on the activity. It should also be noted, for future reference, that it is an offence liable to prosecution to carry on an activity which requires a licence in the absence of such a licence.

Yours faithfully,

Environmental Licensing Programme
