Regulation 25 of the EPA (Industrial Emissions) (Licensing) Regulations, in respect of a licence application from Amazon Data Services Ireland Limited for an installation Drogheda IDA Business And Technology Park, Donore Road, Drogheda, County Meath

Dear Mr Doyle,

In accordance with the above referenced legislation the EPA acknowledges receipt of your objection and cheque for €126.00 received on 15 April 2024, in relation to the above referenced proposed determination. All objections received by the EPA in relation to the proposed determination will be circulated to all parties to the objections.

Your letter will be treated as a formal and valid objection, and will be considered as part of the examination, assessment and decision on the proposed determination by the EPA.

In the event that the EPA receives third party objections to the proposed determination, in accordance with Regulation 26 of the EPA (Industrial Emissions) (Licensing) Regulations, once the appropriate period for objections expires, the EPA will, in due course, circulate all objections to all other parties to the objection. Each party to the objection is entitled to make a submission/comments on such objections **within one month** of the copy of the objection being circulated. Submissions on objections must be both complete and received within the stated period.

The EPA will consider any valid objections in accordance with the above referenced legislation and will notify you, in due course, of its decision on this licence application. All documentation relating to this licence application is available for inspection on the EPA's website www.epa.ie including information on objections and submissions.

Yours faithfully,
