Dear Philip,

NRGE on behalf of Carhue Piggeries Ltd, Cooligboy, Timoleague, Bandon, Co. Cork (P0621-02) herein provide an update on the information requested by the agency on the 31<sup>st</sup> of January 2024 in relation to the licence review submitted on the 15<sup>th</sup> of November 2023.

We received the updated ammonia and odour modelling reports from Katestone at the beginning of the week. These reports must now go to the ecologist to update the NIS, which is expected to take another week or two.
