**Re: Ashleigh Farms (Waterford) Limited.  
Licence Application  
Ref. P0447-02**

Dear Sir/Madame,

I refer to your correspondence of 6<sup>th</sup> March last in relation to our client, Ashleigh Farms Ltd. Please find detailed below the response to the issues raised.

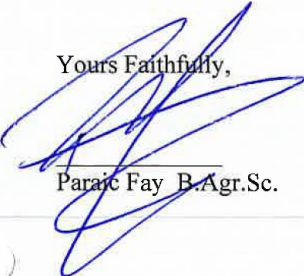

**The applicant has reviewed the Agency's correspondence of 6<sup>th</sup> March last.**

**In order to progress this application, and without prejudice, the applicant will progress with the licence review application based on the current approved animal numbers as per Licence P0447-01.**

**If the Agency propose to replace the finishing pig category in the current licence, with production pigs in the new licence, the applicant would at least request that a pro-rata correction is also applied to take account of the differing weight ranges (i.e. 30-32 kg) as detailed in your correspondence of 6<sup>th</sup> March last.**

If you require any additional information please contact this office.

Yours faithfully,

Yours Faithfully,  
  
Paraic Fay B.Agr.Sc.
