RE: Pig Slurry accepted from Carhue Piggeries Limited

To Whom it May Concern.

We refer to the Request for further information issued to Carhue Piggeries Limited on the 31st of January 2024 and herein Confirm the following in relation to point 5-part C.

The owners of Carhue Piggeries Limited are associated with the Anaerobic Digestion facility trading as Timoleague Agri Gen Limited (TAG) located at Barryshall, Timoleague, Bandon, Cork.

I can confirm that Timoleague Agrigen Ltd. processes pig slurry sourced exclusively from Carhue Piggeries Ltd, at our site in Barryshall Co. Cork. Timoleague Agrigen Ltd has a requirement for pig slurry as a reliable feedstock on a continuous basis throughout the entire year. Volumes processed at TAG can vary from week to week, but we endeavor to maintain a constant, regular intake of Pig slurry through the entire year. It is Timoleague Agrigen Ltd's intention to process all slurry produced by Carhue Piggeries Ltd at the site at Barryshall Co. Cork, as per Timoleague Agrigen Ltd's shareholders agreement.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Colin Bateman', with a horizontal line underneath.

Colin Bateman.

Company Secretary.
