LICENCE APPLICATIONS

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR A WASTE LICENCE

Notice is hereby given in accordance with the Waste Management Act, as amended, that Sancom Ltd, Graney West, Castledermot, Co Kildare intends to apply to the Environmental Protection Agency for a Waste Licence for the operation of a Materials Recovery facility on its lands at Graney West, Castledermot, Co Kildare. National Grid Reference E77006, N344738.

The proposed materials recovery facility and waste licence application provides for the recovery of 1.8 million tonnes of inert soil and stones to facilitate the restoration of a sand and gravel pit resulting from quarry activities at the facility. Restoration shall be achieved by the importation and recovery of inert soils and stone to backfill the quarry void to the original landform which existed prior to quarrying. It is proposed that a total of circa 1.8 million tonnes of inert materials (soil and stone) will be accepted to site, with a maximum of 99,500 tonnes of materials accepted per annum. Topsoil and subsoil shall be stockpiled pending re-use as capping material for final restoration of the site. Site infrastructure shall be constructed/ installed including a weighbridge, wheel wash and quarantine storage area. The applicant is seeking a licence under the Fourth Schedule of the Waste Management Act of 1996, as amended: The Principal Activity is Class R 5 of the Fourth Schedule of the Waste Management Act 1996, as amended (recycling/reclamation of other inorganic materials, which includes soil cleaning resulting in recovery of the soil and recycling of inorganic construction materials). Other activities include Class R 10, Land treatment resulting in benefit to agricultural or ecological improvement, Class R 3 Organic substance recycling reclamation and Class R 13 of the Fourth Schedule (Storage of waste pending any of the operations numbered R1 to R 12 (excluding temporary storage (being preliminary storage according to the definition of 'collection' in section 5(1)), pending collection on the site where the waste is produced)), An Environmental Impact Statement Report (EIAR) has been completed as part of the planning application which was submitted to Kildare County Council and will also be submitted to the EPA as part of this application.

A copy of the application for a Waste Licence, the Environmental Impact assessment Report and any opinion issued by the Agency on the scope of that report, and where applicable, such further information including reports and advice, relating to the environmental impact assessment as may be furnished to the Agency in the course of the Agency's consideration of the application, shall, as soon as is practicable after receipt by the Agency, be available for inspection or purchase at the headquarters of the Agency during office hours.

If it appears to the Agency that the activity the subject of the application would or is likely to have a significant impact on the environment in another member state, the Agency shall, as soon as may be after receipt of the said application, notify the appropriate competent authority in the member state concerned.

A draft decision pursuant to section 42(2) of the Act, shall be published by the Agency and the public have a right to participate and make a written submission under article 15. The public also have a right to make an objection against a proposed decision under Section 42(3) of the Act.
