Notification of Grant of Permission
PLANNING & DEVELOPMENT ACT 2000, AS AMENDED

Final Grant Order No.: PF/0747/23	Date of Final Grant : 20-Apr-2023
Decision Order No. : PF/0508/23	Date of Decision: 14-Mar-2023
Register Reference: FW22A/0258	Registration Date : 20-Feb-2023

Applicant: Roadstone Ltd.

Development: The development comprises the construction and operation of 3 no weighbridges (each with a dedicated weighbridge office), a new 2, 160m² soil waste inspection and quarantine shed, new site offices and associated parking facilities. The development will facilitate internal re-routing of soil intake for future backfilling and restoration of Huntstown South Quarry (previously approved under planning permission Ref. FW12A/0022).

AI received 20/02/23.

Area: Blanchardstown Mulhuddart.

Location: Huntstown and Cappogue Townlands, North Road, Finglas, Dublin 11.

Submitted Floor Area: 2160 sq.m.

Time extension(s) up to and including

Additional Information Requested / Received 08-Dec-2022 / 20-Feb-2023

Permission has been granted for the development described above, subject to the **(7)** condition(s) on the attached pages.

Signed on behalf of the Fingal County Council.

20-Apr-2023.

for **Senior Executive Officer**

Conditions and Reasons

1. The development shall be carried out in its entirety in accordance with the plans, particulars and specifications lodged with the application and additional information received on the 20th February 2022, save as may be required by the other conditions attached hereto.

REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.

2. The use of the structures hereby permitted shall be solely for the purposes as set out in the planning application documentation. Any change of use, subdivision or amalgamation of the development or components thereof, whether or not such change or subdivision would otherwise constitute exempted development, under the Planning and Development Regulations 2001 (as amended) shall not be undertaken without a prior grant of permission.

REASON: To avoid any misunderstanding as to the proper construction of this permission and to regulate the use of the development and to ensure proper planning control is maintained.

3. Where the Developer proposes to connect to a public water/waste water network operated by Uisce Eireann, the Developer shall sign a connection agreement with Uisce Eireann, prior to the commencement of the development.

REASON: In the interest of public health.

4. Prior to the commencement of development, the applicant shall prepare a Construction and Demolition Resource Waste Management Plan (RWMP) as set out in the Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for C&D Projects (2021). The RWMP shall include details of the various waste streams and expected tonnages which will be generated during site clearance, demolition and construction phases and any proposed exportation or importation of soil and stone material including destination/source locations, quantities and if any material will be assessed under By-Product notification. The RWMP shall also include specific proposals as to how the RWMP will be measured and monitored for effectiveness. All records (including for waste and all resources) pursuant to the agreed RWMP shall be made available for inspection at the site office at all times.

REASON: In the interest of proper planning and sustainable development.

5. The developer shall comply in full with the following:
 - a) All necessary measures shall be taken by the applicant/developer to prevent the spillage or deposit of any materials including clay rubble or other debris on adjoining roads during the course of development. In the event of any such spillage or deposit, immediate steps shall be taken to remove the material from the road surface at the applicant/developers own expense.

b) The applicant/developer shall be responsible for the full cost of repair in respect of any damage caused to the adjoining public road arising from the construction work and shall either make good any damage to the satisfaction of Fingal County Council or pay the Council the cost of making good any such damage upon issue of such a requirement by the Council.

REASON: To protect the amenities of the area.

6. The following requirements shall be complied with in full;
- a) The hours of construction shall be restricted to 8.00a.m. to 7.00p.m., Monday to Friday, and 8.00a.m. to 2.00p.m. on Saturdays.
 - b) No construction activities shall take place on site on Sundays or Bank Holidays.
 - c) Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from Fingal County Council. Such approval may be given subject to conditions pertaining to the particular circumstances being set by Fingal County Council.

REASON: In the interests of residential amenity.

7. Prior to Commencement of development the developer shall pay the sum of €4, 263.75 (updated at date of commencement of development, in accordance with changes in the Tender Price Index) to the Planning Authority as a contribution towards expenditure that was and/or that is proposed to be incurred by the planning authority in respect of public infrastructure and facilities benefiting development in the area of the Authority, as provided for in the Contribution Scheme for Fingal County made by the Council. The phasing of payments shall be agreed in writing with the planning authority prior to the commencement of development.

REASON: It is considered reasonable that the payment of a contribution be required in respect of the public infrastructure and facilities benefiting development in the area of the Planning Authority and which is provided, or which is intended to be provided by, or on behalf of the Local Authority.

Note on above Condition:

Please note that with effect from 1st January 2014, Irish Water are now the Statutory Body responsible for both water and waste water services (excluding surface water). Accordingly, the contribution payable has been reduced by the amount of the contribution associated with these services. A separate charge will be levied by Irish Water in relation to the provision of water and/or wastewater treatment infrastructure and connections to same. Further details are available on the Irish Water website www.water.ie, Tel. (01) 6021000.

NOTE:

All buildings must now be designed and constructed in accordance with the Building Regulations. The Building Control (Amendment) Regulations, 2009 came into effect on 1st October 2009.

With the exception of houses and certain agricultural buildings, a Fire Safety Certificate/Revised FSC (please refer to Regs) is required for all buildings (including apartments and flats), extensions and alterations and changes of use which are covered by the Building Regulations.

A **Commencement Notice** (Building Control Regulations 1997 to 2009) must be submitted to the Building Control Authority (not less than 14 days and not more than 28 days before development commences) in respect of all buildings other than

- Buildings which require a **Fire Safety Certificate** under the Regulations and where a person intends to commence work on the construction of a building before grant of the relevant Fire Safety Certificate. (See 7 Day Notice below)
- Exempted development for the purposes of the Planning and Development Act 2000 and the Regulations made thereunder.

Disability Access Certificates/Revised Disability Access Certificates: from the 1st of January 2010, a certificate of compliance with respect to Part M of the Second Schedule of the Building Regulations (Disability Access Certificate) shall be required in respect of all works or a building to which Part III (Fire Safety Certificates) refers.

A **7 Day Notice** is required where a person intends to commence work on the construction of a building before grant of the relevant Fire Safety Certificate. The Notice must be submitted not less than 7 days in advance of commencement of work and must be in accordance with the requirements of Article 20A(2) of the Regulations.

A number of the conditions attached to the planning permission may need compliance submissions to be lodged and agreed prior to commencement of development. Please submit 3 hard copies and 1 soft copy of all documentation in relation to compliance submissions. Failure to comply with a condition of the planning permission is an offence under Section 151 of the PLANNING & DEVELOPMENT ACT 2000, AS AMENDED.

All correspondence should clearly state the Planning Reg. Ref.

Hard Copies should **only** be submitted to:

Compliance Section,
Planning & Strategic Infrastructure Dept.,
Fingal County Hall,
Main Street,
Swords

Soft Copies should **only** be submitted to:

PlanningCompliance@fingal.ie

Information Note - Public Water and Waste Water Networks

Connections

On the 1st of January 2014 Irish Water became the statutory body with the responsibility for all water services, both water and waste water. The provision of a water services connection will be carried out by Irish Water in partnership with each Local Authority.

Any persons seeking a connection to any of Irish Water's networks should make an application in the first instance to their Local Authority who will act on behalf of Irish Water in processing the application.

A Connection Agreement between Irish Water and the applicant will be required, prior to any connection being agreed, and will set out the conditions and charges to be applied to the connection. Details, including availability of application forms, are to be found on each Local Authority website.

It should be noted that Planning Authorities can no longer levy water and wastewater development charges and that these will now be incurred as part of the connection charge, if applicable.

Under the provisions of Section 55(1)(a) of the Water Services Act 2007 (the Act) it is an offence for a person to cause or permit the connection of a premises to the public water supply network, either directly or indirectly, or to otherwise take a water supply without the agreement of Irish Water.

Similarly under the provisions of Section 61(1) (a) of the Act, it is an offence for a person to cause or permit the connection of a premises to the public waste water collection network, either directly or indirectly, without the agreement of Irish Water.

INFORMATION for the purposes of Building Control;-

- IMPORTANT NOTE NOW THAT YOU HAVE RECEIVED PLANNING PERMISSION or ARE INTENDING TO CARRY OUT BUILDING WORKS.

BEFORE ANY BUILDING WORKS TAKES PLACE ON YOUR SITE YOU WILL NEED TO CHECK THE FOLLOWING Pre-Development Planning Conditions, Commencement Notice, Construction Products Regulations (CPR) (Regulation (EU) No. 305/2011) .

- IF SOME OR ANY OF THESE ARE OMITTED YOUR BUILDING MAY BE AN UNAUTHORISED BUILDING AND YOU MAY BE GUILTY OF AN OFFENCE AND/OR YOU MAY BE SUBJECT TO PENALTIES.
- YOU SHOULD ALSO BE AWARE THAT IF YOU OMIT TO SUBMIT A VALID COMMENCEMENT NOTICE TO YOUR LOCAL AUTHORITY YOU MAY BE UNABLE TO GET A COMPLETION CERTIFICATE AND THIS MAY HAVE SERIOUS LONG TERM CONSEQUENCES.

(The information is for guidance purposes only and does not purport to be a legal interpretation or constitute legal or professional advice.)

1. Pre-Development Planning Conditions;

1. If there are any Pre-Development conditions on the schedule of conditions attached to your planning permission you should give your immediate attention to them prior to the commencement of your development.

Note: All conditions must be complied with in full as failure to do so will render your permission invalid and may result in the initiation of enforcement proceedings for compliance with same

2. Commencement Notice; www.localgov.ie

In accordance with the Building Control Regulations you are obliged to submit a Commencement Notice prior to commencement of the development and it must be received by the BCA not less than 14 days and not more than 28 days before you wish to commence. Commencement Notice forms may be downloaded from www.localgov.ie, @ BCMS. Please complete same and submit on-line to BCMS.

- (a) A completed copy of the commencement notice which must be signed by the owner of the works and must (refer to section 9 S.I. No 9 of 2014) be to be accompanied by the following;
 - a. General Arrangement Drawings
 - b. A schedule of design documents as are currently prepared or to be prepared
 - c. An online- assessment via the Building Control Management System of the proposed approach to compliance with the requirements of the Building Regulations 1997 to 2014;
 - d. The preliminary inspection plan
 - e. A Certificate of Compliance (Design)
 - f. Notices of Assignment in respect of the Builder who will carry out the works and of the Assigned Certifier who will inspect and certify the works, and
 - g. Certificates of Compliance signed by the Builder and the Assigned Certifier undertaking to carry-out their roles in accordance with the requirements of the Building Regulations.

With regard to the above, please note that:

1. The Designer and the Assigned Certifier must be a Chartered Engineer, or Registered Architect or Registered Surveyor
1. A Competent Builder must execute the work

2. Your drawings must show details of how your Building will comply with the Building Regulations - drawings submitted for planning permission purposes are not typically building control compliance drawings.
3. The commencement notice and accompanying documentation must be filed electronically via the online Building Control Management System. Where notices and documentation are submitted in written format, the building control authority will arrange for scanning and uploading of same for which an administrative charge will apply and statutory deadlines relating to such notices may be delayed by up to seven days.

(Note: Statutory approvals relating to fire safety and disabled access continue to apply where relevant and are not affected by the above changes).

For more information; <http://www.environ.ie/en/DevelopmentHousing/BuildingStandards/>

3. Construction Products Regulations (CPR) (Regulation (EU) No. 305/2011)

CE MARKING of construction products covered by harmonised European Standards is mandatory, when the construction product is placed on the market.

You need to ensure that you appoint competent professionals.

Whilst the CPR concerns itself with the conditions which apply when placing a construction product on the market, clients, specifiers, designers and builders etc. should be aware of the following when incorporating construction products into building works:

1. When drawing up specifications, refer to the harmonized technical specifications and specifically to the performance requirements of individual characteristics when necessary,
1. When choosing the products most suitable for their intended use in construction works, review the manufacturer's Declaration of Performance,
2. Check National Annexes or Standard Recommendations which give guidance on appropriate minimum performance levels for specific intended uses of the product in Ireland. NSAI host this information at www.nσαι.ie, and

NOTE; All works should be carried out using "proper materials...which are fit for the use for which they are intended and for the conditions in which they are to be used" to ensure compliance with the Building Regulations. For further information on the Building Regulations see <http://www.environ.ie/en/DevelopmentHousing/BuildingStandards/>
