Mr. Ricky Roycroft
On behalf of Enfield Broiler Breeders Limited

16 August 2024

Reg. No.: P1214-01

Notice in accordance with Regulation 7 of the EPA (Industrial Emissions) (Licensing) Regulations 2013 as amended, in respect of a licence application from Enfield Broiler Breeders Limited for an installation located at Gorteen, Broadford, County Limerick.

Dear Mr Roycroft,

I refer to your application for a licence received by the EPA on 15 July 2024.

I advise that in accordance with Regulation 7 of the EPA (IE) (Licensing) Regulations 2013 as amended, the information required under the regulations in support of the application must be updated to reflect compliance with Regulation 7(b) as follows:

- i. The submitted newspaper and site notice published are not in compliance with the [Environmental Protection Agency \(Industrial Emissions\)\(Licensing\)\(Amendment\) Regulations 2020](#) , specifically the notices incorrectly refer to a *Industrial Pollution Control licence* (IPC) instead of *Industrial Licence* (IE) (Class 6.1(a) falls under the scope of IE), and the applicants address is missing from both notices. To rectify this, please ensure that the notices accurately reflect the type of licence required (IPC or IE) and include the applicant's address.

The EPA therefore requires you to republish the newspaper and erect a new site notice referring to the '[Newspaper Notice - Guidance for Applicants](#)' and '[Site Notice – Guidance for Applicants](#)' documents on the EPA website.

Please submit the following evidence that you have complied with the regulations:

1. An extract of the revised notice published in the newspaper, in PDF format;
2. An extract of the revised site notice erected on site;
3. Photographic evidence of the revised site notice erected on site.

The requested information should be submitted to the EPA within 28 Calendar Days of the date of this notice in order to allow the EPA to process and determine your application.

It should be noted that the eight-week period within which the EPA is to decide the proposed determination will commence on the day on which this notice has been complied with.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at <https://www.epa.ie/publications/licensing--permitting/industrial/ipc/how-to-open-and-respond-to-an-epa-notice-issued-to-eden.php>

If you have any further queries, please contact licensing@epa.ie.
