Re: Technical Amendment in the name of Walshestown Restoration Limited, for a facility at Walshestown, Blackhall, Tipperkevin and Bawnoge, Naas, County Kildare – Reg no. W0254-01

Dear Mr Walsh,

We wish to inform you that the EPA received from the above named licensee a request for a Technical Amendment under Section 42B(1) of the Waste Management Act 1996 as amended, to their existing licence.

As your submission was considered during the process of licensing this facility we are to advise that the EPA has considered the request for an amendment and has decided to amend the licence.

The amendment will be available to view on the Agency's website www.epa.ie named Technical Amendment C, and this should be read in conjunction with previous amendments and the existing Licence Reg No. W0254-01.

If you have any further queries please contact the Environmental Licensing Programme by email to licensing@epa.ie.

Kind regards,

Gráinne Oglesby
