Re: H0077-01 - Clountreem Historic Landfill Regulation 7(4) Notice

Dear Mr. Byrne,

I refer to your recent correspondence 9 September 2024.

Cork County Council are currently reviewing our files to supply the information recently requested.

Due to the considerable time delay since the Clountreem Historic Landfill application was submitted to the EPA and your recent correspondence Cork County Council no longer have Consulting Engineers engaged on this historic landfill. We are looking into our public procurement requirements in engaging Consulting Engineers to provide the information outlined in your letter. However, it's unlikely that this will occur within the timeframe outlined.

Yours sincerely,

Deirdre Lehane S.E.E
