NOTIFICATION OF GRANT OF PERMISSION

PERMISSION for the development described above has been granted under the Planning & Development Acts 2000 (as amended) subject to the following conditions.

Condition(s) and Reasons for Condition(s)

1. Insofar as the Planning & Development Act 2000 (as amended) and the Regulations made thereunder are concerned the development shall be carried out in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the conditions attached hereto. For the avoidance of doubt, this permission shall not be construed as approving any development shown on the plans, particulars and specifications, the nature and extent of which has not been adequately stated in the statutory public notices.

Reason: To comply with permission regulations.

2. The developer shall pay the sum of €18,444.56 to the Planning Authority as a contribution towards expenditure that was and/ or is proposed to be incurred by the Planning Authority in respect of public infrastructure and facilities benefitting development in the administrative area of the Authority as provided for in the approved Section 48 (Planning and Development Act 2000 as amended) Contribution scheme for Dublin City Council.

The amount due is payable on commencement of development. Phased payment of the contribution will be considered only with the agreement of Dublin City Council Planning Department. Applicants are advised that any phasing agreement must be finalised and signed prior to the commencement of development.

Reason: It is considered reasonable that the payment of a development contribution should be made in respect of the public infrastructure and facilities benefitting development in the administrative area of the Local Authority.

3. The requirements of the Drainage Division shall be undertaken as follows.

- a) The development shall comply with the Greater Dublin Regional Code of Practice for Drainage Works Version 6.0 (available from www.dublincity.ie Forms and Downloads).
- b) All private drainage such as, downpipes, gullies, manholes, armstrong junctions, etc. are to be located within the final site boundary. Private drains should not pass through property they do not serve.

Reason: In the interests of public health.

4. The site and building works required to implement the development shall only be carried out between the hours of Mondays to Fridays – 7.00am to 6.00pm
Saturday – 8.00 a.m. to 2.00pm.

Sundays and Public Holidays – No activity on site.

Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from Dublin City Council. Such approval may be given subject to conditions pertaining to the particular circumstances being set by Dublin City Council.

Reason: In order to safeguard the amenities of adjoining residential occupiers.

5. (a) During the construction and demolition phases, the proposal development shall comply with British Standard 5228 Noise Control on Construction and open sites Part 1. Code of practice for basic information and procedures for noise control.

Reason: In order to ensure a satisfactory standard of development, in the interests of residential amenity.

6. The site development works and construction works shall be carried out in such a manner as to ensure that the adjoining street(s) are kept clear of debris, soil another material and if the need arises for cleaning works to be carried out on the adjoining public roads, the said cleaning works shall be carried out at the developer's expense.

Reason: To ensure that the adjoining roadways are kept in a clean and safe condition during construction works in the interests of orderly development.

1. Your attention is drawn to the requirements of the attached "Codes of Practice".

Schedule A: Drainage Division
Schedule B: Transportation Planning Division
Schedule C: Air Quality Monitoring and Noise Control Unit

N.B. It should be clearly understood that the granting of Planning Permission does not relieve the developer of the responsibility of complying with any requirements under other Codes or legislation affecting the proposal, including the requirements of the Building Regulations, and Waste Management Acts.

2. A person shall not be entitled solely by reason of a grant of Planning Permission to carry out any development.

3. A grant of Planning Permission does not entitle a person to construct a development that would oversail, overhang or otherwise physically impinge upon an adjoining property without the permission of the adjoining property owner.

4. Please find attached an information note from Irish Water regarding the public water & waste water network.

NOTES TO APPLICANT:

- The decision of Dublin City Council in respect of this development does not imply or infer any approval or right to connect to or discharge wastewater to the public sewer network or the right to connect to the public water supply. The Applicant shall, prior to the commencement of Development, make all necessary arrangements with and get all necessary approvals from Irish Water in relation to wastewater discharges and water connections.
- Refund of Fees submitted with a Planning Application. Provision is made for a partial refund of fees in the case of certain repeat applications submitted within a period of twelve months, where the full standard fee was paid in respect of the first application, and where both applications relate to developments of the same character or description and
