## **EIA Screening Determination**

In accordance with Section 83(2A) of the EPA Act 1992, as amended, the Agency has, as part of its consideration of the Industrial Emissions licence application review referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

## **Application Details:**

Reg No.	P1065-02
Applicant Name:	Mr Declan Sullivan
Location of installation:	Drumcreeghan, Latton, Castleblaney,
	County Monaghan
Authorisation Type	Industrial Emissions Licence
Licence Application Date:	01 April 2025
Date of EIA Screening Determination:	13 October 2025

## **EIA Screening Determination:**

EIA, as respects the matters that come within the functions of the Agency, <u>is required</u> for the activity to which the above licence application relates due to the following reason:

The changes to the activity exceed the threshold of project type 13 in Part 2 of Schedule 5 of the Planning and Development Regulations 2001 as amended,

- 13. Changes, extensions, development and testing
- a) Any change or extension of development already authorised, executed or in the process of being executed (not being a change or extension referred to in Part 1) which would: -
  - (i) result in the development being of a class listed in Part 1 or paragraphs 1 to 12 of Part 2 of this Schedule, and
  - (ii) result in an increase in size greater than -
    - 25 per cent, or
    - an amount equal to 50 per cent of the appropriate threshold, whichever is the greater.

An Environmental Impact Assessment Report was received by the Agency on 01 April 2023.

Submissions on a licence application can be made before the Proposed Determination is issued. Information on the public participation process is available on the Agency's website at <a href="https://www.epa.ie">www.epa.ie</a>.
