RE: Section 87(3) of EPA Act 1992 as amended in respect of licence review from Amazon Data Services Ireland Limited for an installation located at Clonsaugh Business and Technology Park, Dublin 17 Reg. No. P1186-02.

Dear Sir/Madam,

The following attachments have been updated to provide emission point grid references in Irish National Grid (previously in Irish Transverse Mercator (ITM), as requested by the Agency:

- Attachment-7-4-2-Emissions to Air Minor-Potential
- Attachment-7-7-Storm Water Discharges

We will update the grid references for Attachment-7-3-1-Emissions to Sewer and submit these once we have a response from Uisce Eireann (Both Attachment-7-3-1 and Attachment-7-3-2-Equivalent Sewer Protection will be updated and submitted at that time).

Sincerely,

Mairead Rawal
